

HEADTEACHER T A KNEALE

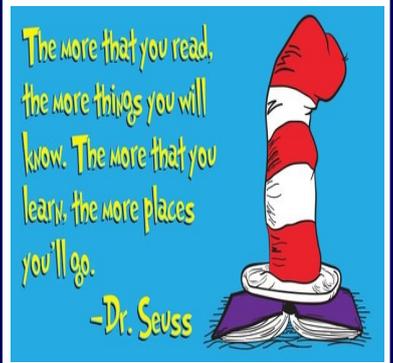

Commemorating Remembrance Day

Here at Marlbrook, we have been making our own poppies to remember this very important occasion in British History. On Thursday 11th November, at 11.00 am, we held a two minute silence.

Volunteer Readers

Do you have some spare time to listen to some of our children read? If you think you would enjoy listening to the children and would like to help, please contact the School office. Thank you.

Footie result!

Congratulations to the Year 5 and Year 6 boys who went to the Hampton Dene football tournament. Fantastic sportsmanship was shown and their performances were acknowledged by many other schools.

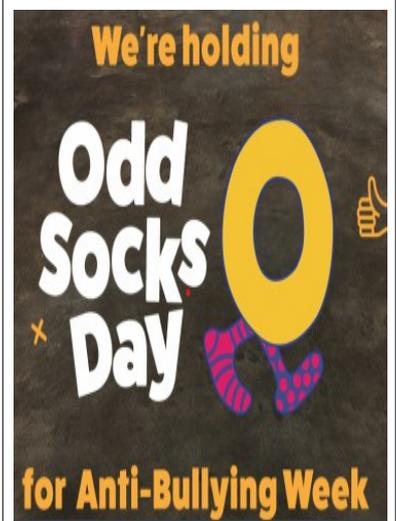

ODD SOCKS DAY!

To celebrate anti-bullying week, that will take place between 15th and 19th November, we are asking everyone to wear odd socks to school on:

**Monday 15th
November!**

Bullying is an important issue that all schools take very seriously. Wearing odd socks shows everyone that we are all unique and different.

Belmont Community Centre Panto
Every year, Belmont Community Centre presents a panto at Christmas. This year, they are inviting children from Marlbrook to take part! If your child is interested, please contact Lyndsey on 01432 263415 or belmontcentrebeltmont@yahoo.com

Learning through STEM:
Science Technology
Engineering Mathematics
 Year 4 had a STEM Mayan workshop on Tuesday this week. They used maths shapes to create large wooden structures, these were then stacked on top of each other to make a Mayan temple.

THANK YOU SO MUCH, EVERYONE!

We would like to say a massive thank you to all of you who kindly donated to the shoe box appeal. The quantity of donations was incredibly generous and we are so proud of what we can achieve as a community here at Marlbrook. We sorted all of your fantastic donations together and were able to fill nearly 60 shoe boxes, in addition to the boxes that were sent in already packed. Reverend Goode has explained that these boxes will be shared with families in Bulgaria and he will keep us updated.

A VIP visit

Last week was parliament week, the children across the whole school worked on different projects linked to Parliament. In year 5, our local Member of Parliament, Jesse Norman, spent some time with the children. Mr Norman explained about his role as an MP to the children. He also talked about what he was working on to improve Hereford and answered all of the children's interesting questions.
