Discovering the Maya Civilisation

As part of our History Curriculum, we became archaeologist for the day digging for artefacts and recording information about the Mayan people. We learnt about where the Maya people lived. We also learned about the different gods that they worshiped, such as the God of Maize called Centeōtl and the God of Chocolate called IXCACAO. We created Maya masks and learnt to dance for ceremonies and created Maya style pottery.

Thank you!

Internet safety top tips for this week!

Children are curious and sometimes playing online doesn't go to plan. Here are some tips that, as parents and carers, help you support your child if something goes wrong at home.

Make sure your child knows they can talk to you or to someone they trust like – they can always talk to a **Childline counsellor** too.

Show your child how to report bullying and abuse directly to the **website or app** – If you don't know how to do this, pop into our next Parents and Carers Online Safety meeting.

If it is really serious, Tell the police by making a **report to CEOP** if someone is threatening or blackmailing your child

Plan for the future and change your privacy settings on devices and routers so it doesn't happen again – if you do not know how to do this, pop along to the next parents and carers online safety meeting.
