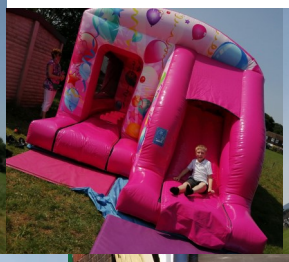
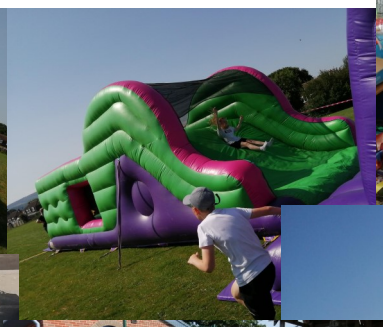
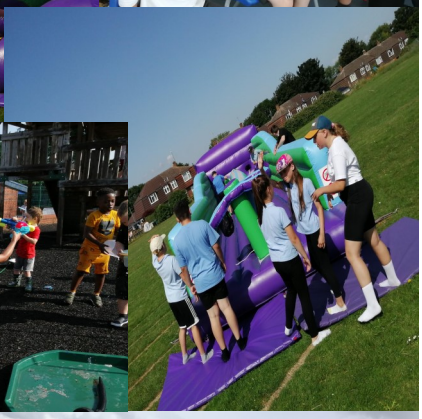
Summer Fun!







Wellbeing Award for Marlbrook

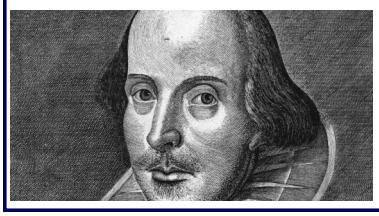
The Well- being award is a UK initiative to promote the positive emotional and mental health of everyone in our schools. The award recognises the outstanding work being done to promote mental health and wellbeing within school communities across the UK.
We are pleased to announce that Marlbrook has now been granted this award. Our HUGE thanks go to Mrs Turner who was in charge of the whole enterprise.

WAS promoting emotional wellbeing and positive mental health

in partnership with NATIONAL CHILDREN'S BUREAU

Brilliant Britons competition winners

Our competition winners were Kiara in 1H and Maisie C from 5W.
Mrs Evans said the standard of the entries was phenomenal and she and Miss Kneale found it hard to pick just two winners from so many deserving entries.



e-Safety competition Winners!

Alexandra Byczko from 4B was the winner of our competition to design an e-Safety poster.
William Balderson and Lyla Shaffir (Year 2) were the winners of the free-screen challenge element of the competition. They both won a fabulous board game each to play with their families.

Have A wonderful Summer and please take care of yourselves!
We come back to school on Monday 6th September.

SCHOOL'S OUT FOR SUMMER!

Goodbye to Year 6!

It's been a roller-coaster time for our fabulous Year 6 children. Now is the time to say a fond farewell as they make the transition to High School. We wish them well and all the best on their new adventures.
Here are a few pictures from their last get-together here at Marlbrook.
