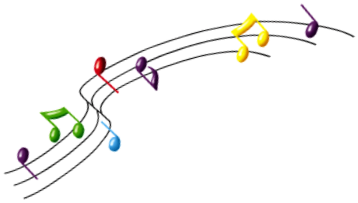
MUSIC MUSIC MUSIC



World Music Day, June 21st had the whole school listening to music from 1950's, 60's 70's, 80's 90's and 2000's. The children have created posters and some of their work will go towards creating a History of Music display in school. We certainly do love music here at Marlbrook!

Orchestra of the Swan visited Year 2 last week to talk about all their work this term around 'Under the Sea'. The children had lots to tell them about creating their own music on this theme and showed off their knowledge of musical terms. They listened in awe to the musicians playing the flute, bassoon and clarinet. We have our own KS2 Clarinet players and they are working so hard and already reading and playing music.
