It was great to see so many parents coming along to enjoy the nursery facilities, where they helped their children make Autumn hats and playdough hedgehogs, do some harvest vegetable printing, use their senses to explore conkers and pumpkins , and of course eat their delicious soup !

Reception Trip to Queenswood

Reception have all had a great time visiting Queenswood this week to follow the Gruffalo Trail.

From the attendance team

We would like to pass our thanks to all those families whose children have had 100% attendance this half term, 199 children out of 545.

Let's try and improve this next half term!

Thank you to those who have kept to the 48hr rule for episodes of vomiting and diarrhea by doing this we limited the spread of bugs going around school, which will help everyone's attendance. Also thank you for following school's procedure by messaging school when your child is off and updating every day they do not attend. This information allows us to accurately record the reason why your child off and for safe guarding reasons you have kept in contact.
