Christmas Cheer for Hillside

As part of Wave Wednesday to build community links ,4H will be sending cards and letters to the residents of Hillside to cheer them up over Christmas.

Hereford and Worcester Animal Rescue

Our Nursery children are busy collecting donations such as doggy treats and doggie toys for Hereford and Worcester Animal rescue. This is a small independent voluntary organisation dedicated to helping dogs in need.

Parliament Week

As part of Parliament week, the Year 5 children were able to have an online meeting with our Local Member of Parliament. The children really enjoyed hearing all about what it is like to be an MP and what it means to represent our local area. The children thought of a range of really interesting questions and Jesse answered all of them. Jesse was able to answer the most important question - would Father Christmas still visit us? Jesse believed that no matter what the current restrictions were regarding Lockdown, Father Christmas would be able to visit all of us.

Countdown to Christmas

Our Nursery children have been very lucky to win an Advent calendar each to countdown the days to Christmas Day!

Dear Marlbrook families,
After what can only be described as a challenging year, we want to help our school community get into the festive spirit. The task is simple...create a Christmas decoration!

There is only **one rule... TEAMWORK**- you must work as a team with **at least one adult and one child** per family to design and make your decoration (siblings can work together in a family team with their adult/s). There are some ideas attached if you need a little inspiration, but we are sure you can think of some great ideas of your own -especially if the whole house gets involved.

The decorations need to be brought into school to display by **Monday 7th December** where they will be displayed in classrooms for the last two weeks of term before being returned home. Class teachers will chat with children about their competition entries to find out how they worked as a **TEAM** with their grown-ups. The two entries per class that displayed the best **TEAMWORK** will be shortlisted and then Ms Kneale will pick a winning entry from Early Years, KS1 and KS2.

The three winning entries will receive a **Christmas Eve Goody Bag** full of treats and fun for all of the family and runners up will receive a Christmas treat.
