This is the Greatest Show!

Year 3 have been learning a song from the Greatest Showman using Makaton sign language. They have been learning how to sign "This is Me" from The Greatest Showman. It's a fabulous song!

Yum Yum!

As part of their Science topic Year 2 have been growing seeds. They planted beans, peppers and cress seeds. They watched the cress grow for a week and recorded their finding in a cress diary. Once they had grown they harvested the cress and made cress and cream cheese sandwiches. The children enjoyed slicing, spreading and eating- it was a thumbs up from most of Year 2.

Family Learning!

Our Family Learning courses have re-located to The Kindle Centre near Asda.

All Family Learning courses are absolutely FREE!

English: Starts Tuesday 13th October
9.00am –12.00am

Maths: Starts Thursday 15th October
9.00am –12.00am

ESOL: **(English for speakers of another language)**
Starts Wednesday 14th 9.00am –12.00am
This course runs every Wednesday and Friday

For everyone's health and safety, please wear a face mask whenever you enter the school grounds.

A Tour of the new Build!

Morgan Sindall gave the whole school a tour of the outside of the new build. We were all amazed at how big it looks. The School Council were even allowed to have a look inside at the new classrooms. The windows are huge! We cannot wait to be able to move in very soon!
